Rigger and Banksman Training

Our centres have a range of Rigger and Banksman training for delegates to gain hands-on experience to develop the necessary skills to perform their jobs safely. Our courses are conducted at our skill development facilities using rigging beams and cranes to perform actual lifts simulating realistic situations. The emphasis of the training will be on carrying out lifts as safely as possible and in compliance with industry best practice. Our Johor centre holds OPITO approval for Rigger Stage 1 and Banksman Stage 1.
