# Advanced Fire Fighting and Offshore Emergency Response Team Training

Our centres have a range of advanced fire fighting and offshore emergency response training programmes for delegates to gain hands on experience in dealing with emergency situations on board offshore installations. Courses are conducted with classroom lectures and realistic practical exercises on our purpose-built mock up installation that provides live fire fighting scenarios in controlled environments. All our centres are Advanced Firefighting STCW approved. Our Johor, Miri and Thailand centres hold OPITO approval for OERTM & OERTL.

## Offshore Emergency Response Team Member

Target Group	Aimed at personnel designated as Emergency Response Team Members on offshore installations.
Course Objectives	During the course delegates will gain and demonstrate to a level of competence on how to operate fire protection and fire fighting equipment and how to deal with the various emergency situations on board. Emphasis will be on working as a team under the leadership of the team leader.
Duration	3 days 4 days (OPITO)
Validity	3 years 2 years (OPITO)
Approving Body	OPITO

## Offshore Emergency Response Team Leader

Target Group	Aimed at personnel designated as Emergency Response Team Leaders on offshore installations.
Course Objectives	During the course delegates will gain and demonstrate to a level of competence on how to operate fire protection and fire fighting equipment and how to deal with the various emergency situations on board. Emphasis will be on leading and controlling emergency response teams.
Duration	2 days 3 days (OPITO)
Validity	3 years 2 years (OPITO)
Approving Body	OPITO

## STCW Fire Prevention and Fire Fighting

Target Group	Aimed at personnel working on ships, vessels or mobile installations.
Course Objectives	During the course delegates will gain and demonstrate to a level of competence on how to operate the basic fire protection and fire fighting equipment.
Duration	1.5 days
Validity	5 years
Approving Body	STCW 78 (as per Manila 2010 amendments)

## STCW Advanced Fire Fighting

Target Group	Aimed at seagoing personnel designated to take charge and control of fire fighting operations in an emergency. The emphasis of the training is in organization, tactics and command.
Course Objectives	During the course delegates will gain and demonstrate to a level of competence on how to take command, organize, and train fire parties and control fire fighting operations. Delegates will acquire knowledge of fire prevention and the ability to inspect and service fire detection and extinguishing system and equipment
Duration	4 days (5 days if combined with Fire prevention & fire fighting)
Validity	5 years
Approving Body	STCW 78 (as per Manila 2010 amendments)
