# CRO CONTROL ROOM OPERATOR EMERGENCY RESPONSE

Our CRO Control Room Operator Emergency Response Training is designed to assess delegate's performance in controlling emergencies and critical situations in the position of a CRO. The assessment will be focused towards maintaining a state of readiness, controlling critical situations, as well as responding to emergencies.

## Target Group

Control Room Operators (CRO) who are assigned to control emergencies and critical situations on offshore Installations.

## Course Objectives

During the assessment delegates will demonstrate by means of practical simulation the necessary actions to take control of emergencies and critical situations.

## Duration

1-3 days (2 CROs assessed per day)  
Pre-assessment training days available on request

## Validity

No expiry

## Pre-course Requirement

Delegates must be in possession of a valid BOSIET / FOET.  
Proficiency in written and spoken English is a must.  
It is recommended that the delegate has already performed in the role of CRO.
